

ACTING PRINCIPALS MESSAGE

Kia ora
 Welcome to Term 3. While Mr Miles is away on sabbatical this term I will be the acting Principal. I look forward to the challenge of maintaining the high professional standard set by Mr Miles and celebrating our childrens' successes. I am especially looking forward to the problem solving challenges during Maths week and the Productions at the end of the term. I am supported by Deputy Principals, Mrs Fahey and Mrs Hunter. We welcome back Miss Timblich and Mrs Carter who are starting the New Entrant class in Room 4, Mrs Gilmore and Ms Hazlett who are replacing Mrs Fahey and Mrs Hunter. A success we are celebrating is the E Pro 8 Challenge which our school won. Awesome effort. We have future problems solvers in that team.

We welcome to our school - Mason Ward, Braxton Halligan, Kaylah Hackett, Roma Marson, James Gregory, Zoe Terrell, Ryder Henry, Jasper Atkins, Bella Douglas, and Akshita Dimri. I know you will enjoy your time at Kaiapoi North School and make the most of the many opportunities our school offers.

FROM THE DP's OFFICE

Welcome back to term 3 and a warm welcome to our new families.
 Term 3 is looking full of many opportunities for our students, some of which include:

- Team productions which will be held in week 10.
- Swimming lessons at the Kaiapoi Aquatic Centre
- Senior Kapa Haka group is preparing for the Christchurch Cultural Festival
- Year 8 Ski Trip
- Aims Games for our basketballers and gymnasts
- Celebrations weeks (Maths, Tongan, Maori)
- Art Gallery Trips
- Akoranga Maori Cultural Programme

We would like to thank all of the staff that give up their time to make these opportunities possible.

Breaktime opportunities for year 1-4
 This term will also see our School Leaders run interval and lunch time activities for any year 1-4 students wanting to take part. Activities range from sporting opportunities, art activities and listening to stories. Students can see what is on in the morning notices.

Road Safety
 Our new road patrol students have started this term, keeping our school community safe when crossing the main road. We have noticed a few families crossing by the radiator shop, please remember to use the crossing before and after school to model road safety to all in our community. We would also like to remind you that the drop off zone and clear away zones outside the school are a place to be kept clear during mornings and afternoons.

KNS Basketball
 During the middle weekend of the holidays, some of our senior students took part in the Waitaki Basketball Tournament, representing Kaiapoi North with pride. We sent 3 teams in total, an A Boys team and an A girls team and Development Boys team. This campaign was our most successful Oamaru tournament to date, with our Development Boys team winning games and developing a lot in their skills. Our 'A' Girls team played 7 games, won 5, drew 1 and narrowly lost a close final to North Canterbury by 4 points. Our 'A' Boys team took out the title in their grade, winning all 7 games, the last 3 games by 1 point, and they won the final in overtime - excitement plus!
 We would like to thank our coaches of the Development team - Blake Cunningham and Reuben Fletcher. Also our A team coaches - Megan Gilmore and Matt Sherlock and Boy's coaches Matt Cunningham and Bob Morris. We would also like to thank all of our managers who worked very hard across the weekend. Our 'A' teams now focus on AIMS Games which are in Week 8 of this term.

FOCUS ON Hīnau Years 5 - 6

Last term Kōrari did a great job working on their passion projects. This is where the students choose what they want to learn about. During the class sessions, they learn and make creations. We had a huge range of different things happening, art, cooking, making ramps, researching, creating artistic cupcakes and so many more. It is our favourite time of the week!
