

**Kaiapoi North School**  
now has a **School App!**

Go to the App Store on your Apple or Android Device and Search Kaiapoi North School to download the App to your phone or tablet.

School Apps<sup>NZ</sup>  
snApp mobile

schoolappsnz.co.nz

Kaiapoi North School is excited to announce the launch of our School App - FREE to download to your Apple or Android device!

Hit the menu icon in the top left-hand corner, go into Alert Subscriptions and tap the Alert Groups you wish to receive messages from e.g. classrooms, Kaka Haka, Sport, Basketball, etc and get set to receive notifications. The Alerts button on the front page will tell you when a message has been posted. It's that easy!

Access newsletters, notices, absence notifications, class & sport blogs; links to our website, school interview appointments, Lunch online and more! Links directly to our school events Google Calendar. Through Contacts you can email staff directly.

This is our first step in becoming paperless in our communications! If you would like help in navigating the App, or would like more information please contact Julie in the school office phone 327 8803 or email [julie.g@kaiapoinorth.school.nz](mailto:julie.g@kaiapoinorth.school.nz).
