

You are receiving this letter because your child is interested in taking part in the Akoranga programme.

This is an opportunity we offer years 5-8 students to learn more about a specific Māori Kaupapa or topic.

This year, the aim of the programme is to understand our Cultural Narrative and how it all fits together with our school name, building names and syndicate names. Then the children will come up with a way that they could explain this and teach a younger student in the school. This could include a labelled picture, slideshow, poster or or mixed media type art.

The programme is run over two days;

- Day 1: Friday September the 15th

The children will do some learning about our Cultural Narrative and how all our syndicate names and building names fit with this.

- Day 2: Thursday 19th of October from 1.30 to 3pm (Week 1, Term 4).

Is the presentation to other students, staff and whānau.

This means the students have time over the holidays to complete their presentation.

These will be presented to other children in the school and displayed upon completion.

In signing this permission slip, your child is committing to Akoranga for 2017 and will work individually to complete their project.

Any questions at all please email Miss Turner or Miss McCall or come and see us.

Please return this permission slip to Miss McCall in Room 15 by September the 8th 2017.
