

Kia Ora Whānau,

5/09/2017

The Kapa Haka group have been asked to open the Kaiapoi Food Forest on the Corner of Cass and Meadow Street on Saturday the 16th of September.

The formal proceedings will begin at 10.30 so we require the children to be there at 10.15. You are more than welcome to stay afterwards, bring a picnic to share with your family, plant a tree and move some mulch. If not, the proceedings should be complete by 10.45.

The children will be given a uniform to come in if they are able to participate. We ask that the children show up in uniform ready to perform and bring this in it's bag back to school on the following Monday (18th of September).

I also ask that if the children wish to plant a tree or get 'stuck in' in the garden that they have a change of clothes to do so. Once again please do not wash the Kapa Haka uniforms.

Please indicate whether your child will be available to perform at the opening by sending this slip back to Miss McCall by Wednesday the 13th of September.

Any questions or queries please don't hesitate to come and see me or email me.

Kind Regards,
Bridget McCall
