

PROPERTY UPDATE

Timelines and demolitions

If you have been into school lately you will have seen the **demolitions of our two red brick blocks** is well underway. A reminder the buildings that are being demolished include:

- **the classroom and toilet section of our middle red brick block.** It will be fully cleared and the remaining area of this block remediated during term 4 and the Christmas holidays. This will allow for our **flash new adventure playground to be installed in the Christmas holidays, hopefully ready for 2018!**
- **the front of school red brick block and old dental block** will also be demolished to open up our front entrance-way. Full clearing and basic landscaping will be completed in this area with additional landscaping projects then being completed throughout 2018.
- the **old double prefab beside the basketball court** is being transported off site in the week before Christmas to make space for a second hardcourt area.

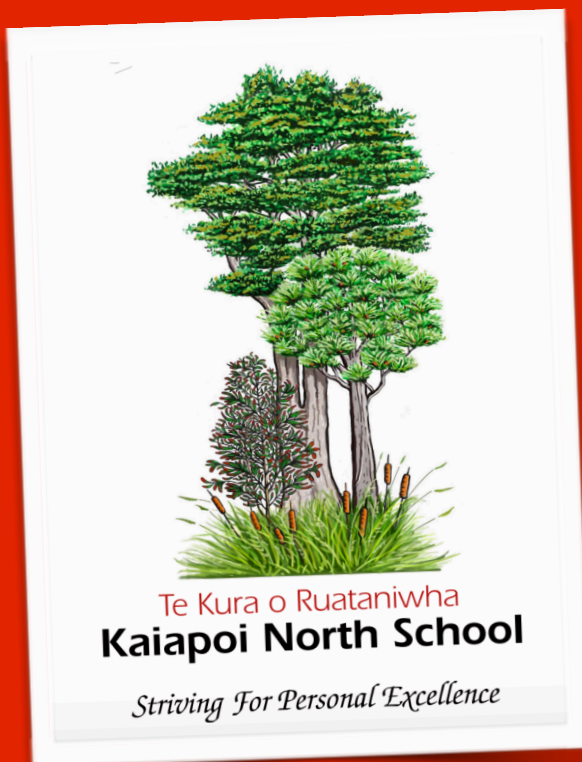

Thank you for your patience with walking around the demolition areas. The remedial work will continue in the holiday break and it is likely there will be some areas still isolated when we return in 2018. These areas will be clearly marked so please ensure your children continue to take care in these areas if you are around school in the holidays. **This includes the area where our new adventure playground will be constructed**, this area will be fenced off until it is completed.

Formal Opening - Monday 29th January 2018 at 9:00am

Our two new classroom blocks will be formally opened at the beginning of our 2018 school year. Please see the invitation on the other side of this page to see the details of this event. The opening will take place on our court area where the children will be seated in their new class lines. Please prepare the children for this by reminding them to put their bag in their new classroom before the bell and make sure they have their hat on (we are hoping for a fine morning!). There is a **draft map of how the classrooms will be organized in 2018 over the page**. This will hopefully assist you on day one!

If you would like further information about any of this information please contact Jason Miles either in person or via email at jason.m@kaiapoinorth.school.nz

You're Invited!

Official opening of our new classroom blocks

9:00am - Monday 29th January, 2018

Meet on the court area in class lines outside Kōpapa. We will formally open the new blocks followed by shared kai/hot drink for adults (children will have an ice block at morning tea). We would love to see you there!
